Bronze medal game Poland vs Iceland

Bogdan Wenta (coach Poland):

"First of all, I want to congratulate team Iceland.

The were the better team although we played very well for 30 minutes. Iceland played well for 60 minutes."

Slawomir Szmaj (goalkeeper, Poland):

"We did not play very aggressively in the first half. Iceland had a very good goalkeeper and we did not score the simple goals. It was the other way around in the second half – we were the better team and scored some counter attacks."

Piotr Wyszomirski (player, Poland):

"We lost in the first half and we could fight back and catch up in the second half. But I hope we can show what we are able to do at the next tournament."

Gudmundur Gudmundsson (coach, Iceland):

"I want to thank Poland for the spectacular game. After the game against Denmark it was a completely different tournament for us. We are very proud to win the bronze medal and be successful at two tournaments in a row. We are very happy and our players did a fantastic job."

Olafur Stefansson (player, Iceland):

"I would like to congratulate Szmaj for the amazing second half - he was a wall and made us very insecure. In the first half we had a compact defence and great counter attacks."

Gudjón Valur Sigurdsson (player, Iceland):

"We are very happy to win this game but I had five shots that did not go in – Szmaj was fantastic. I am happy that we came back after the defeat yesterday and now I feel great."

Final Croatia vs France

Lino Cervar (coach, Croatia):

"First of all, I would like to congratulate the players. The silver medal is a big success. We can be proud because we managed to come to the Final with all the injuries. We controlled the first half of this match but the 11:8 was the crucial point when we let the victory slip out of our hands."

Igor Vori (player, Croatia):

"The worst thing that happened was France scoring easy goals and then we were not able to follow the match. We should celebrate this silver medal as gold. The Croatian team had a lot of youngsters and injuries – so I would like to congratulate all of my team mates and I hope that we will show what we are able to do in Sweden."

Vedran Zrnic (player, Croatia):

"In the locker room we raised our heads – because this is a success. With the problems in our country, I am glad that we could keep the Croatians happy. I want to thank the Croatian fans who spent all their money on coming to Austria."

Claude Onesta (coach, France):

"We are very happy about this victory and the new title. It was a very difficult tournament at a high level. This last match showed that our team has a lot of physical potential. I want to congratulate Croatia for their great fight."

Sebastien Bosquet (player, France):

"We knew that the Croatians had a lot of supporters and fans here so we have been very happy that there were some French supporters."

Cedric Sorhaindo (player, France):

"We are very happy about the victory but we have to see what happens next. The start of the tournament was very difficult for us and after that we are very happy to win this tournament."
